**Approval and Promulgation of Air Quality Implementation Plans;
Illinois; Leisure Properties LLC/D/B/A Crownline Boats; Adjusted
Standard**

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY EPA is proposing to approve into the Illinois State Implementation Plan (SIP) an adjusted standard for Leisure Properties LLC/D/B/A Crownline Boats (Crownline) at its West Frankfort, Illinois facility. On June 10, 2011, the Illinois Environmental Protection Agency submitted to EPA for approval an adjustment to the general rule, Use of Organic Material Rule, commonly known as the eight pound per hour rule, as it applies to emissions of volatile organic matter (VOM) from Crownline's manufacturing facility. The adjusted standard relieves Crownline from being subject to the general rule for VOM emissions from its West Frankfort facility. EPA is proposing to approve this SIP revision because it will not interfere with attainment or maintenance of the ozone National Ambient Air Quality Standard.

SUPPLEMENTARY INFORMATION: In the Final Rules section of this Federal Register, EPA is approving the state's SIP submittal as a direct final rule without prior proposal because the Agency views this as a noncontroversial submittal and anticipates no adverse comments. A detailed rationale for the approval is set forth in the direct final rule. If no adverse comments are received in response to this rule, no further activity is contemplated. If EPA receives adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed rule. EPA will not institute a second comment period. Any parties interested in commenting on this action should do so at this time. Please note that if EPA receives adverse comment on an amendment, paragraph, or section of this rule and if that provision may be severed from the remainder of the rule, EPA may adopt as final those provisions of the rule that are not the subject of an adverse comment. For additional information, see the direct final rule which is located in the Rules section of this Federal Register.
